Suffolk County Legislature Presiding Officer William J. Lindsay recently worked with Islip Town Councilman Gene Parrington and the Town of Islip's Anti-Graffiti Unit to remove graffiti from a local business' facility on Lincoln Avenue in Sayville.

"I want to thank the Town of Islip for their efforts in the fight against graffiti that continues to blight our buildings throughout Suffolk County," said Presiding Officer Lindsay. "We must do everything in our power to keep our neighborhoods beautiful and well-maintained, and I am proud to work with the Town of Islip and bring this vital resource to our community."

Please contact Legislator Lindsay's office, 854-9611, or Islip Town Councilman Gene Parrington's office, 589-0234, for further information about graffiti removal in our community.
